

Mode Code Reports

The Mode Code Reports option provides three reports: *Funding Report*, *Funding Report – Next FY*, and *Funding Report SY*. All reports are “canned reports”, meaning you can only view and/or print; no querying or customizing options are available.

The *Funding Report* provides information on net-to-location (NTL) funding levels by Management Unit, subtotaling at the Location level and totaling at the Area level.

To print the “**Funding Report**”, click “**Reports**”, “**Modecode Reports**” and “**Funding Report**” from the Research Documentation screen (fig. 1).
